NOTE CONCERNING PROTECTED HEALTH INFORMATION
This report is strictly confidential and is for the information of the individual or entity named above. Scripps will accept no responsibility if it is made available to any other person, including the patient. For certain patient records, state and federal laws protect confidentiality. These laws prohibit you from making any further disclosure without the specific written consent of the person to whom the information pertains or as otherwise permitted by regulation. A general authorization for the release of medical or other information is not sufficient for this purpose.

IF YOU RECEIVED THIS FAX IN ERROR
This fax transmission may contain privileged and confidential information and is intended solely for the use of the individual or entity to which it was sent. If you are not the intended recipient or the person responsible for delivering this material to the intended recipient, you are hereby notified that any dissemination or copying of this material is strictly prohibited. If you have received this transmission in error, please immediately notify the Scripps Privacy Office at (858) 678-6819. You will be contacted so arrangements can be made for the information to be returned to Scripps. Thank you for your cooperation.
