Information

25. If additional services are required outside of the episode of care identified above, please review the Referral and Authorization Decision Support (RADS) tool located in the TriWest TRICARE payer space on Availity to confirm that the care is a covered benefit and if the care requires additional authorization or referrals.

23. Final determination of payment will be made according to your TRICARE eligibility on the date of service and TRICARE claim policies. Most other health insurance (OHI) coverage is primary to TRICARE coverage. If you have OHI, you must follow that OHI's policies.

76. To facilitate effective communication with Military Treatment Facility (MTF) providers regarding beneficiary health care, please return clinical documentation within 10 days of the date of service. You can do this using one of the following methods:

    1. Via Health Information Exchange (HIE): If you are a member of The Joint HIE, your documentation will be made available to the MTF through the following networks:
        a. eHealth Exchange
        b. CommonWell Health Alliance
        c. Carequality
    2. Log in to Availity Essentials https://apps.availity.com/and follow the steps below to upload in the request via the TriWest secure provider portal.
        a. Navigate to the TriWest - TRICARE Payer Space.
        b. Select the "Submit Referral/Auth" application.
        c. Find the appropriate authorization and upload the records within the attachments tab.
    3. Utilize a direct messaging through your Cerner product: MTF DOD.Travis.Referral.Management@direct.health.mil
    4. Fax to MTF 60TH MEDGRP-TRAVIS : 707-423-7535

Go to https://tricare.mil/west to log in for self-service to track the status of your authorizations and referrals online.

Your health care is important to us. Call 888-TRIWEST (874-9378) if you have questions or concerns.

Sincerely,

TriWest Healthcare Alliance
